Meet Your Board

Each issue, we will be featuring an informational story on a board member.

Treasurer

Pat Baker

This northern Virginia native went to college in Baltimore but after graduation, moved to DC and worked for the Federal Aviation Administration as an Operations Research Analyst, then moved on to computer application development for companies that contracted to Federal Government Agencies, eventually becoming Vice President of one of them.

In 1985, she and her husband moved to Reno, NV, where she worked for a real estate owner/developer, writing employee handbooks and apartment complex management handbooks, at one point working in onsite management of apartment complexes.

Moving to San Diego in November 1991, they rented a house on Garrison Street before buying their current home in the Wooded Area of Point Loma. She volunteered for several organizations and became a field rep for a local congressional office for 6 years.

Joining the Assembly in early 2013, Pat became Treasurer for the 2013-2014 fiscal year. Currently volunteering at the Point Loma High School Library, she chairs several committees of the Point Loma HS Pointer Association, volunteers with Mom to Madre, a local nonprofit that reaches out to low-income moms and kids to promote good parenting and emphasize the importance of literacy and belongs to Point Loma Association.

A past volunteer at many local organizations, Pat currently works part-time as a bookkeeper for the Visions Art Museum at NTC Promenade.

In spite of all this, she still has time for reading, movies, cooking, travel, and walking her greyhound, Savage.

In Memoriam:

We mourn the passing of Point Loma Assembly member and long time Point Loma Resident Rita Carol Green (Carol). Our condolences go out to her family and friends.

Where Do Your Dues Go...

We're sure every now and then you wonder how your membership dues are spent.

Member dues go toward three activities: meeting refreshments and speaker fees, with the balance going into the building repair and restoration fund.

Meeting expenses are budgeted at \$1300 annually. The building fund now has a balance of approximately \$29,000.

This information was in the treasurer's report at the January board meeting. There may be some minor adjustments in the amounts since that time.
