OCTOBER 2015

Our September meeting featured Cultural Landscape Consultant Vonn Marie May (right) who described agriculture, horticulture and floriculture at the 1915 Panama California Exposition. The program drew a lot of us out on surely one of the hottest days in San Diego. It was worth it!

Our restored fireplace greeted members at September's meeting.

Ever innovative table décor by Carolyn Kutzke (Parrot supplied by Dottie), was accompanied by refreshments provided by our awesome board members: Dottie Laub, Patti Adams, Sandy Perlotti, Pat Baker, Pam Fuchs, Cecilia Carrick, Klonie Kunzel and Marty Smith. Thanks to all of you.

October Meeting

Our October 8 meeting will feature a presentation by Anne Bernstein, Chief Executive Officer for the Urban Corps of San Diego County, a not-for-profit conservation corps and charter school providing paid job training, life skills and a second chance high school education to disengaged youth.

Serving San Diego's Youth & Community Since 1989, Urban Corps has an impressive record of helping youth aged 18-25 find their way in life.

These young people are enrolled at the Urban Corps Charter School, preparing to earn their high school diploma combined with job training and community services in the fields of conservation and recycling. Doors open at 3:30. Meeting and program to follow

Our Mission:

To promote literary, social, educational, philanthropic, civic, and artistic work, and to restore and maintain the Assembly building at 3035 Talbot Street.

Membership Report

By Pam Fuchs, Membership Chair

Welcome to new member, Lori Fleet-Martin. Lori is a Board Member of the NTC Foundation and a founder of the "Friends of NTC", a group founded to bring awareness of the importance of this place in Point Loma. Lori is also a long time Trustee of the RH Fleet Science Center.

A reminder that the renewal period for the Assembly continues this month. Your check may be mailed to our PO Box 60174, San Diego CA 92166 or brought to the October meeting. Guests are welcome at all meetings. Contact Pam Fuchs at pafuchs@cox.net or 619 523-8953.

Lights, Camera, Action

We have new stage lighting, purchased from OSC Lighting and Control Company, installed by Absolute Electronics and paid for by the Point Loma Playhouse.

This state of the Art stage lighting system designed by OSC is a LED system, which will use much less electricity to create three times as many lighting options.

The Assembly owes a debt of gratitude to David Sein, Gunnar Ramstrum and Jon Lee for the many hours of time and expertise they devoted to this project.
