NOVEMBER 2015

Anne Bernstein, Jeremiah Ruiz and Klara Arter of UrbanCorps.

Our October program included a very informative presentation by UrbanCorps.

Dottie Laub and Carolyn Kutzke decorated the great Hall with a Halloween theme and Carolyn did the table arrangements with candy and treats. Thank you Dottie, Sandy Perlatti and Cecilia Carrick for the tasty treats.

Cecilia Carrick presents a commendation and check from Point Loma Assembly to Jeremiah Ruiz, UrbanCorps' 2015 Honoree of the Year.

## Our November Meeting

At our November 12 program Alan Ziter, Executive Director of the NTC Foundation, will give an update of new happenings at Liberty Station in general and in the Arts & Culture District specifically: the plans for the luxury theatre complex (TheLot) scheduled to open in 2016, the Public Market, opening in the fall, and the opening of the Ice Skating Rink and Holiday plans for the Liberty Station campus.

He will give a power-point presentation and share the podium with Tara Graviss, who will say a few words about the YASD and the upcoming "SKY's the Limit" Art Show taking place from 2-6 p.m. on Saturday, November 14th. Doors open at 3:30. Meeting and program to follow.

## Our Mission:

To promote literary, social, educational, philanthropic, civic, and artistic work, and to restore and maintain the Assembly building at 3035 Talbot Street.

# Membership Report

By Pam Fuchs, Membership Chair

Welcome to new member, long time Point Loma resident Julie Dillon. Our membership is presently 101 and growing. Bring a friend to the November meeting and the Art Event to see what Point Loma Assembly is all about. Let's "Show Off". Contact Pam Fuchs at pafuchs@cox.net or 619 523-8953 for details.

## Lighthouse Award Goes to Assembly Member Ron Brooks

Against the glittering skyline of San Diego Bay, Councilwoman Lorie Zapf presented Ron Brooks with the Lighthouse Award at the Point Loma Association's annual dinner held on October 1st at Coasterra. He has been a member of Point Loma Assembly since it was revived. The retired schoolteacher and his delightful wife are well known on the Point.

### Happy Birthday

To a special member - Edwina Goddard, who will be 93 years old November 16! According to her daughter Ellen Ewing, "she has been a member as long as I remember, which goes back to the early 1950s. My grandmother, Gladys Taylor, was in the 'senior' group, and they had a group of 'junior' members, to which Edwina belonged until she "graduated". I'd definitely put her in the senior category now!"

# Creativity Soars for THE SKY'S THE LIMIT Youth Art Show

More than 100 youth and their families participated in the four art workshops held at the Point Loma Library during September and October. Local students of all ages worked with artist Stacie Greene to create art pieces made out of recycled materials, such as candy and gum wrappers, bottle caps and old magazines. The art pieces will be auctioned off at the Assembly at *THE SKY'S THE*

*LIMIT* art-oriented community event to be held on November 14. This FREE event is co-hosted by the Assembly and Young Audiences for the Arts (YASD), a 51-year old, 400-member non-profit organization. The proceeds from the sale of the art will help fund the mission of YASD to bring art back into the public schools throughout San Diego.

There will be music and dance performances as well as theatre and story telling, with a different performance each hour during the 4-hour event. Light refreshments will be served and wine and beer will be available at a modest cost.

Special thanks to hard-working committee members Jackie Morgner, Lori Fleet-Martin, Nancy Phillips and Sandy Perlatti (*Board member*) and Tara Graviss of YASD. Thanks also to sponsors who made monetary or in-kind contributions that helped to underwrite the event: Solare Ristorante at Liberty Station, Ballast Point Breweries and personal donations by Assembly members Jackie Morgner, Lori Fleet Martin, Nancy Phillips and Sandy Perlatti.

A special shout out and heartfelt thank you to all of the volunteers for the event.
